Subject: REVIEW OF DESIGN SCHEME FOR COMPLIANCE WITH QF MANDATORY ACCOMMODATION STANDARDS

Dear Sir,

Thank you for submitting your design proposal for a Workers Accommodation Community and requesting that it be reviewed for compliance with the Qatar Foundation Mandatory Standards of Migrant Worker Welfare.

We acknowledge receipt of the document entitled "Daruna Workers Community" dated 23 June 2014, 27 pages in length containing the following:

1. Concept Design Drawings
2. Project Data
3. Completed sections 13 and 14 of the QF Contractor's Statement of Commitment to Mandatory Welfare Standards Rev.0 dated 20April2013

Having completed our review, we enclose our comments for your consideration. These comments will form discussion points as the scheme developers further.

However, on the basis of our review, we are pleased to confirm that the above mentioned scheme meets the standards set by Sections 13 and 14 of the Qatar Foundation Mandatory Standards of Migrant Workers Welfare Rev.0 dated 20 April 2013 at this stage.

Please note that your submission has not been reviewed for compliance with any other sections of the aforementioned document.

الهيئة العامة
للتيبة والتعليم والتنمية المجتمعية
Qatar Foundation
for education, science and community development

لإطلاق قدرات الإنسان. Unlocking human potential.

This is an acknowledgement of compliance at this stage of the design development. Qatar Foundation assumes no liability regarding its use.

Qatar Foundation hopes that your scheme will continue to work toward full compliance of the relevant sections of the QF Mandatory Standards. Should you wish for Qatar Foundation to confirm compliance of the final built development; you are required to submit a formal request in writing for a final compliance review at least 30 days in advance of construction completion so that we may prepare for a site audit.

Sincerely,

Amal Al Thani
Executive Director
Health, Safety, Security and Environment
